From state capitol exit off of 64/77 go up hill (Greenbrier St.) to first street on right and turn right and then left on YMCA DRIVE. Once you get to front of building go around left side there are 2 more parking lots & entrance for our dance will be back there. We will do our best to get signs out but it would be good if you can write these directions down just in case. This dance is \$15.00 per person and some like to get a little elegant for this dance but wear whatever you like. We will have some special food for this dance. Michele swears she will call the Mayor's office & Highways if bad weather to make sure the road is clear, but Michele always expects good things!!! Michele @ 304-807-6285 !!
