### PLEASE READ: IMPORTANT MESSAGE

For the last 2 months, SpeakEasy has been going through probably the worst time in its 29 year existence. Everything has been up in the air and the wonderful volunteers who

care about the organization are trying and working so hard to keep it going. With WV State replacing the dates of our dances in Feb, March and April dances and raising the rental to \$420 for the remainder of the year, we have been working hard at looking at other solutions. This comes at a very bad time, when we were just starting plan a huge 30-year Anniversary Party and Dance.

With 2 board members getting married, one having radiation treatments, now a new volunteer board that is trying so hard to pull everything together, we could use everyone's help and support! Vicky was able to secure the St. Albans Moose for our March and maybe April dances. It is actually in the BACK of the Moose, no alcohol allowed in this part, separate entrance, etc. We LOVE our dances each month in a non-alcoholic environment, great dance music, freedom to line dance or shag or whatever. If SpeakEasy ever needs your support..... It's NOW. We still need to pay the rental for the Moose and the DJ, so please come out and support us March 14th while we work our way through this rough period. Thanks! If you have ideas, suggestions for place, want your voice heard, we have a meeting on March 11th.
