WRITING WITH A Heavy HEART

We write with a heavy heart, the passing of Jerry Hash on Sept 28. Jerry had been a member and active volunteer of SES for over 25 years. He seldom missed a dance and his brownies were famous. He sponsored a long running and successful bike riding group and loved the SpeakEasy Camping trips and seldom missed one. Jerry was always ready and there to help with anything the group needed. Jerry was greatly loved, respected and will be sorely missed.

VOLUNTEERS NEEDED!

2017-2018 SpeakEasy Board Members SHANTEL, JACK, VICKY, LANA, NANCY & AARON could use some help. When we have Board Elections this winter, think about being on the Board! I'd hate to think of after 33 years of volunteers keeping this great social organization going, we'd lose it for lack of people to step up and

ONE DAY ONLY!

help. Great board & we all work hard to keep it going. Think about it! ONE DAY A MONTH and we always cover for one another when needed.
