There is a light at the end of every tunnel...just pray it's not a train!

We had 15 to come on camping trip at Summersville Lake on Aug 24-26. The weather was great and our camping spots by the water were great. Some of us went over to Babcock on Saturday afternoon to see the Grist

Mill. Friday night we set up our camp sites and had BBQs, hotdogs and salads for dinner. Saturday morning everyone pitched in to fix a fantastic breakfast – Fried Potatoes, Scrambled Eggs, gravy, bacon and toast on the griddle. Most of us hung around the beach area and the lake floating on Saturday afternoon or just walked around the campground. A very relaxing weekend. Saturday night we had grilled chicken, ham, grilled veggies, green beans and corn. Saturday night we had a little hula party. You will have to go to the website and check out Donn's great Hula dance. We all got a good laugh at Donn's expense but he was a good sport. Sunday morning we had sausage, pancakes and left over ham for breakfast. A lot of the campers stayed at the lake all day on Sunday-since we did not have to be off the camping spots until 5pm. Thanks for Cheryl (Beckley group) and Vicky (Charleston group) for sponsoring and all their hard work and everyone that camped out, helped cook and clean up the dishes.
